

Gill Grassie

Gill is the Head of the IP & Technology team at Maclay Murray & Spens LLP and focuses on contentious IP/IT. She has over 18 years experience in resolving client's IP disputes covering the whole range of IPRs including patents, trade secrets, trade marks, passing off as well as copyright and design right. Her experience covers a wide variety of sections including oil and gas and renewables, IT, pharma and biotech, food and drink, financial services and luxury branded goods.
